- I. COMMITTEE:** Federation of American Health Systems
Political Action Committee (C00002261)
Sylvia Urlich, Treasurer
1111 19th St., NW, Ste. 402
Washington, DC 20036
- II. RELEVANT STATUTE:** 2 U.S.C. 441a(f)
- III. BACKGROUND:** Excessive Contribution Received from a Political
Action Committee

The Federation of American Health Systems Political Action Committee ("the Committee") disclosed a \$5,000 contribution received on November 13, 1997 and a \$35,350 contribution received on December 31, 1997 for Tenet Healthcare Corporation PAC ("Tenet PAC") on Schedule A of the 1997 December Monthly and Year-End Reports (Attachment 2).

On February 18, 1998, a Request for Additional Information ("RFI") for the 1997 Year-End Report was sent to the Committee which advised that the Committee received a contribution which exceeded the limits set forth in the Act. The Committee was advised to provide clarifying information if the contribution was incorrectly disclosed, transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor committee (Attachment 3).

On February 23, 1998, Mr. Robert Goldstein, the Committee's lawyer, called the Reports Analysis Division ("RAD") analyst and stated that the apparent excessive contribution was in fact earmarked contributions from individuals as Tenet PAC acted as a collecting agent for the Committee. Mr. Goldstein stated that the Committee would provide an amendment with the individual itemization of the original donors (Attachment 4).

On February 24, 1998, the Committee filed a response with the Commission. The response stated that the Committee "miscategorized" the December 31, 1997 contribution as having been received directly from Tenet PAC. The contribution in question was actually individual contributions sent to Tenet PAC, but earmarked for the Committee. The Committee further contended that the "retribution rules contained in 11 CFR §110.1(k) permit these contributions to be treated as if they had been made directly to FedPAC." The Committee enclosed a list of the original donors and the amount of their earmarked contributions (Attachment 5).

On March 16, 1998, Tenet PAC's counsel faxed a response to the Commission. A duplication of the Committee's February 24, 1998 response was included along with a copy of the response given by Tenet PAC which stated that Tenet PAC believed that the Committee's response may have already been deemed acceptable (Attachment 6).

On April 17, 1998, a Second Notice was sent to the Committee acknowledging the identical responses received from the Committee and Tenet PAC. The RFAI explained that if the contributions were sent to Tenet PAC but earmarked for the Committee, they would not count against Tenet PAC's contribution limits. However, if Tenet PAC exercised direction or control over the contributor's choice of the recipient committee, or if the contributions were solicited by Tenet PAC's connected organization, the contributions would be considered to be from both the individual and from Tenet PAC. The Committee was advised to specify the method used by Tenet PAC to solicit the earmarked contributions in order to determine if the contributions count against Tenet PAC's contribution limit and that a copy of the original solicitation could be included in the Committee's response (Attachment 7).

On April 23, 1998, Mr. Tom Scully, the President and Chief Executive Officer of the Federation, called the analyst and stated that the Federation of American Health Systems is a trade group made up of corporations, some of which have their own political action committees. The member corporation PACs receive funds from individuals, but may suggest verbally, not in writing, that the contributors can make contributions to either the corporation PAC, or to the Committee, either directly, or by earmarking. Mr. Scully further stated that he would try to obtain a sample of the Tenet PAC solicitation. If the Commission deemed it necessary, he would return the money and request that the individuals contribute directly to the Committee (Attachment 8).

On May 4, 1998, the Commission received a third response from the Committee. The response stated that the December 31, 1997 contribution was received in the form of a single check from Tenet PAC, but that Tenet PAC collected contributions from senior employees of Tenet Healthcare who had chosen to earmark them for the Committee. Schedule A supporting Line 11(a)(i) showed \$35,450 in contributions from

individuals without indicating any earmarked contributions (Attachment 9).

On May 6, 1998, the analyst of the Committee and the analyst of Tenet PAC met with Mr. Scully in order to discuss the outstanding question of the excessive contribution. Mr. Scully explained that the Committee received one check from Tenet PAC and provided copies of checks from individuals which were given to Tenet PAC, but earmarked for the Committee. The analysts advised Mr. Scully on how to properly report earmarked contributions and provided him with a copy of Appendix D, Earmarked Contributions from the Campaign Guide for Corporations and Labor Organizations. Mr. Scully stated that, because Tenet PAC did not allow the Committee to solicit its members directly, Tenet PAC solicited its members on behalf of the Committee in order to reach the annual contribution goal. The analysts suggested that Mr. Scully provide a copy of the solicitation used by Tenet PAC in order to receive the earmarked contributions and to clarify the method of solicitation used by Tenet PAC. Mr. Scully had a copy of the solicitation from Tenet PAC in his possession at the time of the meeting, but declined to submit it, stating that he would provide a formal copy to the Commission after consulting with Tenet PAC's lawyers. He said that he would try to have a corrected amendment, including clarification of the solicitation sent by Monday, May 11, 1998 (Attachment 10).

On June 16, 1998, Mr. Scully and Mr. Goldstein called the analyst on a conference call. Mr. Scully stated that the Committee was still working on the corrections discussed during the May 6, 1998 meeting and would be filing an amendment to the 1997 Year-End Report shortly. The Committee's representatives checked their corrections against the analyst's instructions for the proper reporting of earmarked contributions received from another political action committee. Mr. Scully stated that the amendment could be delayed due to the mailing time necessary in order to receive the proper signatures on the report (Attachment 11).

On June 18, 1998, the Committee filed a fourth response with the Commission. The response disclosed the December 31, 1997 contribution as a single check received from Tenet PAC which was comprised of twenty-seven (27) itemized contributions earmarked for the Committee from individuals. The Committee also stated that Tenet PAC collected contributions from senior employees of Tenet Healthcare who had chosen to earmark their contributions for the Committee (Attachment 12).

No further information has been received.

Reference: Year End Report (12/1/97-12/31/97)

Dear Ms. Ulrich:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report (pertinent portion(s) attached) discloses a contribution(s) which appears to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) preclude a committee and its affiliates from receiving contributions from another political committee or person in excess of \$5,000 per calendar year.

If the contribution(s) in question was incompletely or incorrectly disclosed, you should amend your original report with the clarifying information. If the contribution(s) you received exceeded the limits, you must seek reattribution of the contribution pursuant to 11 CFR §110.1(k), transfer-out the amount in excess of \$5,000 to an account not used to influence federal elections or refund the excessive amount to the donor(s) in accordance with 11 CFR §103.3(b). In the best interest of your committee, all reattributions, transfers-out, and refunds should be made within sixty days of the treasurer's receipt of the contribution(s). In order to protect the donor's interests, the Commission recommends that you inform the contributor(s) in writing to provide the donor(s) with the option of granting written authorization for a reattribution or transfer-out to another account or receiving a refund.

774

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for the transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-The total listed on Line 21(b), Column B of the Detailed Summary Page appears to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B total. Please amend your report and any subsequent reports that may be affected by this correction.

-For your information, each category on the Detailed Summary Page for which your committee discloses activity must have a separate schedule. Please note this for future filings.

-For future filings, please note that your committee need only file the pages on which you have itemized activity. Schedules with no activity and duplicate reports may be omitted.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

SUBJECTS(S): 1997 Year-End Report Request for Additional Information

Mr. Goldstein, the Committee's lawyer, called the analyst because he had questions regarding the RFAI for the 1997 Year-End Report. Mr. Goldstein explained that the contributions in question were from another committee, Tenet PAC, which was acting as a collecting agent for the Committee. The analyst instructed him to send an amendment which itemized the individuals who were the original donors of the earmarked contributions and explained the connection between the Committee and Tenet PAC. Mr. Goldstein stated that he would provide clarification as soon as possible.

12/31/97)

Dear Ms. Hurd:

This is in response to your letter dated February 18, 1998, addressed to
Sylvia Ulrich, Treasurer of the above-referenced organization ("FedPac").

Your first inquiry addresses whether the receipt of a \$35,350 check from
Tenet Healthcare Corporation PAC (the "Tenet PAC") in December 1997 exceeded the
\$5,000 per person annual contribution limit. I believe it did not since the FedPac
January report inadvertently miscategorized this contribution as having been received
directly from the Tenet PAC. In fact, these amounts were actually individual
contributions sent to the Tenet PAC but which were earmarked for FedPac. I have
enclosed a list of these donors and the amount of their earmarked contributions for
your review. The reattribution rules contained in 11 CFR § 110.1(k) permit these
contributions to be treated as if they had been made directly to FedPac.

Robert E. Goldstein

No. C00119354 (Year End Report 12/31/97)

Dear Mr. Evans:

This letter is sent on behalf of Susan Limon, Treasurer, and the Tenet Healthcare Corporation Political Action Committee in response to your above-referenced letter.

The committee is filing an amendment with respect to the first item on the preliminary review letter.

This is to respond further to the item concerning possible violation of 2 U.S.C. § 441a(a). This is to confirm that the committee had responded to a similar inquiry last year and had received no response indicating that the explanation given was inadequate, and had, justifiably, believed that response and explanation had been accepted.

We now understand that another Reports Analyst for the recipient, Federation of American Health Systems PAC, may have received approval for the transaction, as explained by that PAC (Copy of Letter attached.)

Reference: Year End Report (7/1/97-12/31/97)

Dear Ms. Ulrich:

On February 18, 1998, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your February 24 and March 24, 1998 responses are incomplete because you have not provided all the requested information. For these responses to be considered adequate, the following information is still required.

-Your duplicate responses provided a breakdown of the individual contributors and amounts received for the earmarked contributions from Tenet Healthcare Corporation PAC ("Tenet PAC"). The donor committee, Tenet PAC, also filed responses on March 5, 16 and 24, 1998, which mimicked the information you provided. The method(s) used by Tenet PAC to solicit the earmarked contribution has not been clarified by either your committee, the Federation of American Health Systems PAC (Fed PAC), or the donor committee.

If these contributions were from individuals sent to Tenet PAC but earmarked for Fed PAC, they would not count against Tenet PAC's contribution limits. An SSF, Tenet PAC, may act as a conduit for earmarked contributions. An earmarked contribution counts against the original contributor's contribution limits. It does not count against the limits of the SSF's own contributions, unless the SSF exercises direction or control over the contributor's choice of the recipient committee (in this

case, Fed PAC) or unless the earmarked contribution was solicited by the connected organization. 11 CFR 110.6(d). If the earmarked contribution was solicited from the restricted class by a communication from the SSF's connected organization (Tenet Healthcare Corporation) and was collected by its SSF, it is considered a contribution to both the SSF and the recipient committee, and from both the individual contributor and the SSF.

Please clarify the solicitation efforts (i.e., who makes the solicitation and is there any mention of contributing to Fed PAC in the solicitation) of Tenet PAC. You may provide a copy of Tenet PAC's solicitation to respond to this request.

If the contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If you have received an excessive contribution, you should notify the donor and refund the amount in excess of \$5000.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund check sent to the donor committee.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Melissa Hurd on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

John D. Gibson

CONVERSATION WITH: Tom Scully, President and Executive Officer,
Federation of American Health Systems

COMMITTEE: Federation of American Health Systems Political Action Committee

DATE: April 23, 1998

SUBJECTS(S): Second Notice for the 1997 Year-End Report

Mr. Scully, the President and Executive Officer of the Federation of American Health Systems, called the analyst in order to clarify the organization of the Federation of American Health Systems and explain the solicitation methods of Tenet PAC. The Federation is a trade group which is made up of member corporations. Tenet PAC is a member corporation PAC that receives funds from individuals who are informed that they can make payments to either Tenet PAC, or to the Committee, directly or by earmarking the contributions. In all likelihood, the information regarding the Committee would be given to board members or individuals who are often solicited, and would be given verbally, not in a written solicitation. The analyst clarified this method with Mr. Scully and stated that a PAC could not solicit funds for another, unaffiliated PAC. The analyst suggested Mr. Scully provide the Commission with a copy of Tenet PAC's written solicitation, as well as a cover letter explaining the solicitation method used by Tenet PAC. Mr. Scully stated that he would reluctantly return the questionable money to Tenet PAC and then request that the individuals contribute directly to the Committee if required by the Commission. He further stated that he would shortly be sending an additional amendment in order to clarify the earmarked contributions.

**Addendum to Schedule A
Federation of American Health Systems
Political Action Committee
Amended Monthly Report For December, 1997**

The December 1997 monthly report originally disclosed the receipt of a \$35,700 contribution from Tenet Healthcare Corporation Political Action Committee. This amended report is being filed now to clarify that although the check was received from the Tenet PAC, that entity collected contributions from senior employees of Tenet Healthcare who had chosen to earmark them for the Federation of American Health Systems Political Action Committee. Thus, the amounts reflected on the amended Schedule A, Itemized Receipts, reflect these earmarked contributions.

MEETING

ANALYST: Melissa Hurd and Neil Evans

MEETING WITH: Tom Scully, President and Executive Officer,
Federation of American Health Systems

COMMITTEE: Federation of American Health Systems
Political Action Committee

DATE: May 6, 1998

SUBJECTS(S): Second Notice for 1997 Year-End Report

The analyst of the Committee and the analyst of Tenet PAC met with Mr. Scully, the President and Executive Officer of the Federation of American Health Systems. Mr. Scully asked what further clarification was required by either committee in order to illustrate that the contributions were given initially to Tenet PAC, but earmarked by individuals for the Committee. Mr. Scully wanted to insure that the committees illustrated that the contributions should not count against the contribution limits of Tenet PAC to the Committee.

The analyst explained the corrections which were necessary to the Committee's May 4, 1998 Amendment in order to correctly report earmarked contributions from individuals to the Committee which originally passed through Tenet PAC's account. The analysts stated the need for clarification of Tenet PAC's solicitation method, preferably including a copy of the solicitation, in order for the committees to illustrate exactly who solicited the individuals (Tenet PAC or its connected organization), and for whom money was solicited. Mr. Scully was provided with Appendix D. Earmarked Contributions of the Campaign Guide for Corporations and Labor Organizations.

Mr. Scully stated that he had a copy of a Tenet PAC solicitation, but he would like to further speak with the representatives of Tenet PAC before turning a copy over to the Commission. Mr. Scully also stated that the Committee was not permitted by Tenet PAC to directly solicit its members. Instead, Tenet PAC agreed to reach their \$35,000 contribution goal to the Committee by having individuals earmark their contributions. He said that he hoped the analysts were not naive and realized that he would tell the Board of Directors of a member organization that the Committee needed money and it was time to meet the financial goal of contributions which were arranged by the Committee and the member organization.

Mr. Scully stated that, if necessary, the Committee would return the contribution to Tenet PAC and then ask that the individuals write a check directly to the Committee. Of course, they would like to avoid the additional work and potential loss of contributions. He also provided copies of several individual checks earmarked for the Committee through Tenet PAC which he had obtained from Tenet PAC. He stated that he would provide the amendments for both committees as advised, and provide the Commission with a copy of the solicitation after he further consulted with Tenet PAC representatives. Mr. Scully thought that he would be able to provide the necessary amendments by Monday, May 11, 1998.

COMMITTEE: Federation of American Health Systems Political Action Committee

DATE: June 16, 1998

SUBJECTS(S): Second Notice for 1997 Year-End Report

Mr. Scully and Mr. Goldstein, the President and Lawyer for the Federation of American Health Systems, respectively, called the analyst on a conference call in order to discuss the amendment still needed for the 1997 Year-End Report. Mr. Scully stated that the Committee was still working on the corrections discussed during the May 6, 1998 meeting. In order to insure that the Committee reported earmarked contributions properly, they wanted to check their corrections against the analyst's instructions. The analyst explained in detail the proper reporting methods for earmarked contributions received from another political action committee. Mr. Scully and Mr. Goldstein reviewed the changes they would need and stated that they would correct the report appropriately as soon as possible. Mr. Scully foresaw slight delays as he planned on sending the report to California and Florida in order to receive the proper signatures, but then the amended report would be forward on to the Federal Election Commission.

Re: Federation of American Health Systems Political Action Committee

Dear Ms. Hurd:

Thank you for meeting with Tom Scully of FedPAC recently to clarify the need for amendments to our report for the period December 1, 1997 through December 31, 1997. In following up with your discussions with Tom, the following information is included in the attached amendment.

- The receipt of a single check from TENET PAC for \$35,350 is noted on Schedule A, along with "memo entries" showing each of the individuals who contributed to TENET PAC, but earmarked the contribution for FedPAC.

It is my understanding that TENET PAC is also filing amended reports with the Commission to clarify the flow of the contributions from the individuals to FedPAC.

Thank you for your assistance in remedying the initial reporting errors. If you have any questions, you may call me or Tom Scully in the FedPAC Washington office.

Sincerely

Sylvia Ulrich

Addendum to Schedule A
Federation of American Health Systems
Political Action Committee
Amended Monthly Report For December, 1997

The December 1997 monthly report originally disclosed the receipt of a \$35,700 contribution from Tenet Healthcare Corporation Political Action Committee. This amended report is being filed now to clarify that although the check was received from the Tenet PAC, that entity collected contributions from senior employees of Tenet Healthcare who had chosen to earmark them for the Federation of American Health Systems Political Action Committee. Thus, the amounts reflected on the amended Schedule A, Itemized Receipts, reflect these earmarked contributions.
